70% of endorsed candidates are winning. 86% of measure positions are winning.

Close: a gap under 3 points of the votes, or for measures under 1.5 points from the approval line. Result: the lead over the next candidate, in points; with several seats, over the top losing candidate, or behind the last winning one. Unopposed candidates count as winning. San Mateo County votes only, so the Regional measure shows just this county's share.
